Ancient wisdom. Modern techniques. Amazing healing.

AcuEnergetics® is a modern healing modality with a unique and effective approach to treating illness in the body. It works with the natural bio-electrical flows in the body, by restoring proper flow and creating faster, natural healing. It has been developed over the past 45 years by Australian, Kevin Niv Farrow.

AcuEnergetics® has a comprehensive understanding of the bio-electrical physiology and anatomy of the body. If there are issues with how the bio-electrical system is functioning, it can result in pain, illness and dysfunction in the body + mind. AcuEnergetics® transforms pain and disease in the body and mind, by restoring the natural bio-electrical flow, allowing the body to heal faster and eliminate pain.

AcuEnergetics® has successfully treated a wide range of complaints including:

- sports injuries • back & neck pain • stress & panic attacks • low energy & chronic fatigue • menstrual & fertility issues • knee problems • aches & pains • depression • headaches & migraines • breathing problems
- shoulder pain • burns • post surgery pain • grief & trauma • numbness • cancer support • anxiety.

In addition to offering treatments for specific complaints, AcuEnergetics® also has a series of Wellness Balances to reduce stress and tension, increase electrical flow, reduce stiffness, strengthen the immune system and bring about a feeling of deep relaxation and wellbeing.

The AcuEnergetics® Wellness Balances include:

Energy Liver Cleanse Effective in detoxing the liver organ.

Energy Lymph Drainage Stimulates the lymphatic system, boosts immunity.

Circulation of the Light For poor circulation, low energy, cold and flu symptoms, reduces stress and jet lag.

Sacral Balance Beneficial for pain in the spine, legs and pelvic area.

Wind Gates Balance Excellent for abdominal pain, Irritable Bowel Syndrome, poor digestion, bloating and tension in the abdomen.

Energy Centre Balance Ideal to have during times of emotional stress.

Thrusting Channels Balance Increases energy & improves the immune system.

Reverse Sacral Balance Used pre-pregnancy for optimum health, to improve fertility, and ease pain associated with menstrual disorders.

Pelvic Alignment Balance Helpful for sciatica and pain in the coccyx, pelvis, and lower back.

Three Spinal Gates Balance The three spinal gates are located at the back of the head, base of the neck and in the lumbar region of the back and helps to ease pain and tension in these areas.

Stomach 4's Balance This can ease pain in the hips, back and pelvis. It's also ideal for people who have a perceived difference in leg length, due to tension in the sacro iliac joint.

AcuEnergetics® also offers:

A person is shown from the waist down, sitting in a meditative pose on a lush green lawn. They are wearing light-colored, possibly white, pants. Their hands are held in a mudra, with fingers interlaced and palms facing upwards. The background is a soft-focus green field, suggesting a peaceful outdoor setting. The overall mood is calm and serene.

‘...in the care of the body, some therapies deal with maintaining health and others with restoring it.’

Roman philosopher Seneca.

AcuEnergetics® can help to both restore health and maintain it. Wellness Balances maintain health and help to prevent illness, while individual treatments work to restore health, by addressing illness, pain and injury in the body + mind.

Healing Waters Health Center co-owners

Susan Schultz and Denise Gunderson are a dynamic duo. They are extremely passionate and committed to teaching individuals how to improve the function and a new understanding of the body using AcuEnergetics®.

Currently Healing Waters Health Center in Stillwater, MN is the only location offering AcuEnergetics® training in the United States.

Susan Schultz

Susan was trained and worked as an Occupational Therapist for 14 years. She understood how the body was viewed through western medicine, but became very curious how energy impacted the mind and body. She became so intrigued with the learning of how the movement of bioelectricity helped people out of emotional and physical pain, she started her journey learning AcuEnergetics® in 2013. She has since become a senior practitioner, Level 1 and Level 2 teacher and meditation teacher, trained personally by Kevin Niv Farrow.

Denise Gunderson

For 9 years, Denise Gunderson used the practice of Spring Forest Qigong. She used her training and her intuition to help hundreds of clients feel better emotionally and physically until she started to learn AcuEnergetics®. She quickly understood that by learning how bioelectricity moved through the body she could tune into where the congestion was causing the functional issues or pain and make it flow. Since then she has become a senior practitioner and a Level 1 and Level 2 teacher trained personally by Kevin Niv Farrow. Denise also teaches an AcuEnergetics® one day workshop to help care-givers, teachers, parents, and clients understand and learn basic skills and acupuncture points to create flow in the bioelectricity system.

IN THEIR WORDS...

I had my first AcuEnergetics® session in 2017. I was looking for a way to treat my body that wasn't with a prescribed medication. This has helped me in so many ways. I was so pleased and intrigued that I took Level 1 in 2018 and have continued on with all the levels. I feel really grateful to know what I know with AcuEnergetics® to help my family. I've been able to help my husband with hip pain, our son with knee and back pain, our daughter with chronic PMS and period pain. Even more importantly, it has been helping with all of their stress levels. Whether it's work or school related or relationship related, to know how to bring balance back into their lives for them has been so valuable! When I can watch the anger, fear or anxiety leave and their sense of calm return, it really melts my heart. - **Teresa Y.**

Acuenergetics® level 1 class was great! I learned 3 hand skills and a balance in this 2-day class. I now use the balance learned in this class all of the time. I found it most interesting hearing the experience and feedback from everyone after every exercise. Both instructors were extremely knowledgeable, detailed, and patient.

-**Roland H.**

Healing Waters Health Center is Amazing! I highly recommend it to everyone! I have been treated by both Susan and Denise. My experience was incredible with both of them. I can't wait for my next visit! They are both extremely passionate, supportive, and great at what they do! Healing waters has literally changed my life! Thanks to them I have found a new path to wellness. I will forever be grateful for Healing Waters! To top it off, they are the only place in the United States that offers classes and training to become an AcuEnergetics® Wellness Balancer and/or Practitioner. I have attended level 1, 2, and 3 so far. Coming here is one of the best decisions I have ever made. - **Madeline B.**

My body has been my enemy, I have several specialists on my healthcare team, and Healing Waters Health Center has been the most helpful, integral part. Through AcuEnergetics® and Lisa (senior balancer), I am starting to feel alive and whole. Most recent experience: At my last visit I had suffered a 2-day migraine, mouth/tooth infection and had ortho surgery scheduled for the following day. The pain and infection were so severe I didn't know if I could wait another day for surgical relief. Lisa balanced my energy and within 10 minutes the pain was gone and I was so relaxed I fell asleep on the table. Trust in the process, read up on AcuEnergetics® and meditation. This might be what you are missing in your self-care regimen. - **Sara**
